## A Message From *Supervisor Auberger*

### A New Police Chief for our Community – A New Beginning for our Greece Police Department

Dear Friend:

As your Supervisor,  
it is my pleasure  
to present our  
latest edition of  
the *Greece Reports*  
*Newsletter*.

On February 8,  
2010 Todd Baxter  
was sworn in as the

new Chief of Police for our community. I  
was so pleased that Todd Baxter bestowed  
on me the honor of swearing him in as our  
new Chief. It was also wonderful to see so  
many of our residents, elected community  
leaders, members of the law enforcement  
community and staff at the ceremony.

The selection of a new Chief of Police was  
a key component in our ability to move the  
Town and the department forward.

Chief Baxter was chosen from a field of  
very highly qualified candidates and has  
the background, experience and personal  
integrity to manage the Greece Police  
Department. He exhibits the dedication to  
police services that will be the cornerstone  
of the Greece Police Department's  
rebuilding process.

Todd Baxter is a family man, a man of  
faith, a man of sound moral fiber and rock  
solid character. His vision for the Greece  
Police Department can be summed up in  
one word – Excellence.

John T. Auberger  
Supervisor

## A Letter from Greece Police Chief Baxter

Hello, my name is Todd Baxter and I am the newly appointed Chief of Police for the Town of Greece. I would like to take this opportunity to tell you a bit about myself. I have been happily married to my wife, Mary, for just shy of 20 years. Mary and I have two wonderful sons – Kevin who is 17, and Zach who is 11. We are members of Open Door Baptist Church where I am a group leader for teen mission trips. I also volunteer as a CYO basketball assistant coach at St. Jude's, which I enjoy very much.

Prior to coming to Greece, I was a Captain with the City of Rochester Police Department where I served for 22 years. I also served 22 years in the United States Army as a Master Sergeant for a Brigade element that covered eight states.

Being recently appointed the Chief of Police for the Town of Greece, I would like to share my sincere appreciation for being selected to serve in this important and prestigious position. I will do my best to bring honor to the office, the department and the people we serve.

My vision for the Greece Police Department is simply stated as follows: By utilizing the resources of the Greece Police Department, the Town of Greece and members of the community, this department will become the most trusted, professional and well trained agency in the United States.

I will develop a strategic plan that will implement my goals of:

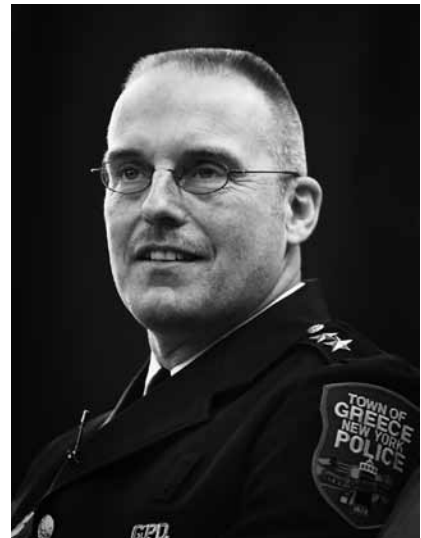

- Improving Community Trust
- Developing the Structure of the Department
- Improving Officer Morale

I look forward to meeting you and to serving the residents of the Town of Greece.

Sincerely,

Chief Todd Baxter

## Dog Park is NOW OPEN at Greece Canal Park!

The Town of Greece is so happy to be the home of Monroe County's first dog park at Greece Canal Park.

The Monroe County Dog Park is an off-leash area that is one acre in size and enclosed by a five-foot-tall fence, including separate areas for both small and large dogs. This provides a place for the dogs to run free and socialize with other dogs while maintaining the highest safety standards. According to Monroe County Parks Law, all dogs must be on-leash in all County Parks, unless they are in a designated dog park.

### The Dog Park Hours:

7:00 am – 5:00 pm, October 15 – March 14

7:00 am – 9:00 pm, March 15 – October 14

What you need to know before you take your dog to the Dog Park:

- All dogs must have a valid Monroe County Dog Park Permit to use the Dog Park
- In order to permit your dog, you will need a valid rabies certificate and New York State dog license.
- The cost is \$24 per calendar year and all fees collected go back into maintaining and building more dog parks. Monroe County dog parks are mandated to be built solely from privately raised funds, not local taxpayer dollars.

### To Obtain a Monroe County Dog Park Permit:

Dogs can be registered at either the Monroe County Department of Parks, 171 Reservoir Avenue, Rochester, NY 14620, Monday – Friday between the hours of 8:30 am – 4:30 pm

OR at

Rotary Lodge near the dog park, check [www.monroecounty.gov/dog\\_park](http://www.monroecounty.gov/dog_park) for specific on-site registration dates, times and requirements. Cash, credit card or checks are accepted.

Documents you need to bring with you:

- Current COPY of New York State dog license with current address.
- COPY of current Rabies Certificate
- Completed Permit and signed Acknowledgement, Agreement and Release form (available where you register)
- \$24 per dog fee paid by cash or check. If using a credit card the fee will be \$25 to include service fee.

### To obtain a New York State Dog License:

Residents of the Town of Greece may obtain a New York State dog license or renew an existing license by visiting the Town Clerk's office, located in the Service Mall at the Greece Town Hall, no appointment is necessary; the Clerk's office is open Monday – Friday between the hours of 9am – 5pm. Or you may print the application at [www.greecenyny.gov](http://www.greecenyny.gov), click on Clerk's Office and send it in by mail.

#### Documents needed to obtain new license:

- If the dog is spayed or neutered, a certificate from a licensed veterinarian or an affidavit from the owner showing that the dog has been spayed/neutered, unless this proof is already filed with the Clerk.
- Dogs that are 3 months or older must have proof of a rabies vaccination signed by a licensed veterinarian.
- For guide dogs, war dogs, hearing dogs, police dogs, or service dogs satisfactory proof is required, such as a training certificate.
- A check made payable to the Town of Greece for appropriate license fee.

#### Documents needed to obtain renewal:

- Paperwork sent to you by NYS Department of Agriculture and Markets.
- Proof of current rabies vaccination.
- Proof of spay/neuter if the procedure occurred in the last year.

#### Fees:

Spayed/Neutered – \$6.50

Not spayed/Neutered – \$15.50

Senior Discount (over 65) – \$4.50

Senior Discount (over 65) – \$13.00

## One Million Mark Milestone for Greece Library

In 2009, the Greece Public Library reached a milestone by loaning over 1,000,000 items. This level of circulation is a 4% increase over 2008.

There are several factors which contribute to this increase. Our Main Library and the Barnard Crossing Branch have had the benefit of a Supervisor and Town Board that are committed to the mission of the Public Library System in Greece. Since the opening of the new main library ten years ago, the library has received increases on an annual basis ranging from 5 - 8%. These increases have allowed the libraries to provide the materials, staffing and resources our residents expect and enjoy.

Another factor contributing to the increase is the economy. Historically, in difficult economic times, the use of Public Libraries increases. We have seen a large increase in the number of residents utilizing our library materials and technology in order to aide them in their search for employment or career changes.

Programming is also a factor that has played a role in the increase over the past year. The quality and quantity

of the programs offered at our libraries, through the financial assistance from the Town and the Friends of the Greece Public Library, increased significantly last year. These programs offer a no cost alternative for our residents and their families to get out and enjoy an activity together.

We are so proud of this milestone for our library – we know that this milestone will also be a cornerstone for our future growth in service to our residents at our public library!

### Let's Do Lunch!

**T**he Title III-C Elderly Nutrition Program of the Older Americans Act provides nutrition services through congregate meals, and plays a vital role in meeting the nutritional needs of millions of seniors. Nutrition programs, which increase levels of health, functioning, and quality-of-life for the elderly, are key ingredients to enabling seniors to live independently in their homes and communities. The Office for the Aging administers Monroe County's nutrition programs. The congregate meal program provides over 160,000 meals annually at 23 sites throughout the county. In addition to this important nutritional support, through senior and community centers, older adults have access to case management services, recreation opportunities, socialization, health education and more.

The Greece Community and Senior Center offers a nutritious meal as well as a complete calendar of recreational, cultural, educational, health and social programs for all of our seniors.

At the Greece Community and Senior Center our Nutrition Program is a congregate meal program for persons with 60 or more years of wisdom and is administered by the Monroe County Office for the Aging at the Greece Community and Senior Center.

This program is designed to help the older person enjoy better health through improved nutrition. The suggested meal donation for Lunch Club 60 is \$2.50. Meal selections change monthly. Please remember that we welcome all age groups to join us for lunch, there is a \$4.00 charge for those under 60. No matter what your age, come have lunch with us!

The Greece Community & Senior Center offers a wide variety of programs for all ages which occur  
The Greece Community & Senior Center offers a wide variety of programs for all ages which occur

before and after lunch is served. Come join us in the morning for an exercise class, line dancing, bocce or a game of cards, enjoy some lunch and then round out the day with a walk on the walking track or a rousing game of bingo.

# UNITY HOSPITAL EXPANDS IN GREECE

Unity Hospital has been a part of the Greece community since an open field was transformed in the early 1970's and Unity has since grown into a full service health care facility.

On February 17, 2010, the Town of Greece Planning Board granted site plan approval for an expansion project for Unity Hospital. The four year, \$158 million dollar project will expand and modernize the hospital while providing for an addition of a fourth floor (approximately 140,000 square feet) to the existing hospital eventually leading to an increase of 85 new beds. Medical equipment and medical technology will be upgraded as well. The project also includes related internal road improvements, additional parking, grading, and landscaping. It is estimated that site work will begin in April 2010 with project completion slated for sometime in March 2014.

Unity Hospital currently provides high quality services to those it serves, the enhancements to their campus will provide dramatic and positive impacts of patient safety, comfort and satisfaction. The end product will be a Unity that is better equipped to serve the growing health care needs of our community.

This is the largest private construction project to date in Monroe County in 2010. The project will have an estimated economic impact consisting of 300 construction jobs and ultimately adding approximately 265 jobs at the completed complex.

This new expansion is a testimony to their commitment to this community and their commitment to improving services vital to quality health care.

***Congratulations, Unity.***

## Amanda's Law Makes Way For Safe Homes

**Effective February 22, 2010 all residential properties shall require Carbon Monoxide Alarms.**

This requirement shall apply to all new and existing buildings without regard to date of construction. Per New York State Building Codes, for homes built prior to January 1, 2008 a carbon monoxide alarm shall be installed in each of the following locations:

"Within each dwelling unit or sleeping unit, on the lowest story having a sleeping unit... the alarm shall be clearly audible in all sleeping areas".

For homes built on/after January 1, 2008, additional requirements would pertain per the NYS Residential Code as to the number and placement of such carbon monoxide detectors.

For additional information regard Carbon Monoxide Alarms contact the Town of Greece Technical Services Department at 723-2443 or visit [www.dos.state.ny.us/code/COAlarm.htm](http://www.dos.state.ny.us/code/COAlarm.htm)

## 2010 CENSUS: IT'S IN OUR HANDS

**Your participation in the 2010 census is imperative as the information collected will determine the distribution of more**

**than \$400 billion annually of government funding for critical community services.**

The data can be helpful when applying for grants, determining funding for our community and helps shape decisions for the rest of the decade about public health, neighborhood improvements, transportation, education and much more.

The US Constitution requires a national census once every 10 years, the Census is a count of everyone residing in the

United States and will determine state population counts and representation in the US House of Representatives.

Census Day is April 1, 2010. Census questionnaires will be delivered or mailed to households via US mail in March 2010. Many households will receive a replacement questionnaire in early April. Please be advised, that Census workers will visit households that do not return their questionnaire.

Completing the 2010 Census is Simple and Safe: With only 10 questions, it is one of the shortest questionnaires in the history of the Census and takes just 10 minutes to complete.

Note: By Law, the Census Bureau cannot share an individual's census questionnaire responses with anyone, including other federal agencies and law enforcement entities.

For more information about the 2010 Census please visit [www.2010census.gov](http://www.2010census.gov). The local U.S. Census office is located at 1600 Lexington Avenue, Building 200, Suite 236A.

## **Celebrating The Erie Canal**

The Greece Chamber of Commerce's Erie Canal Committee is currently working toward having this historical mural painted and mounted to the underside of the bridge abutment at Henpeck Park. We appreciate their efforts and think it will be a wonderful addition to our park.

The 2010 World Canal Conference will bring hundreds of canal scholars and enthusiasts from across the globe to Rochester September 19-24. For more information, visit [www.wccrochester.org](http://www.wccrochester.org).

The Town will once again hold “Spruce Up Greece” – a community clean-up initiative, on Saturday, May 1, 2010.

We are proud to say that “Spruce Up Greece” is now largest community clean up event that the town has ever held! We hope to continue these efforts with much success year after year.

Spruce Up Greece volunteers are asked to clean up areas throughout our town by picking up garbage, weeding, sweeping, piling brush and general clean up. Last year we collected a over 4 tons of garbage, 300 pounds of recyclables and a full load of brush. We encourage all residents, community organizations and local businesses to get involved as this is a practical approach to unite residents and local government to work together to preserve and protect our environment.

We are so proud of the success of “Spruce Up Greece” and the project’s ability to bring community members together to further enhance our town by eliminating garbage, collecting recyclables, brush, help residents properly rid of their computers, electronics and personal documents. We are so proud to hold an event that brings the care and concern of our community to the forefront.

On the day of the Spruce Up Greece event we ask that volunteers be at Town Hall at 9:00 am to join us for morning coffee, you will be given your area of assignment at that time. Please come back to Town Hall after clean up for a good old fashioned barbecue!

We look forward to a greener future and working together year after year as a community to keep our town beautiful.
